Owner Operator

Multi-site

Enterprise

# MEMBER EXPERIENCE

---

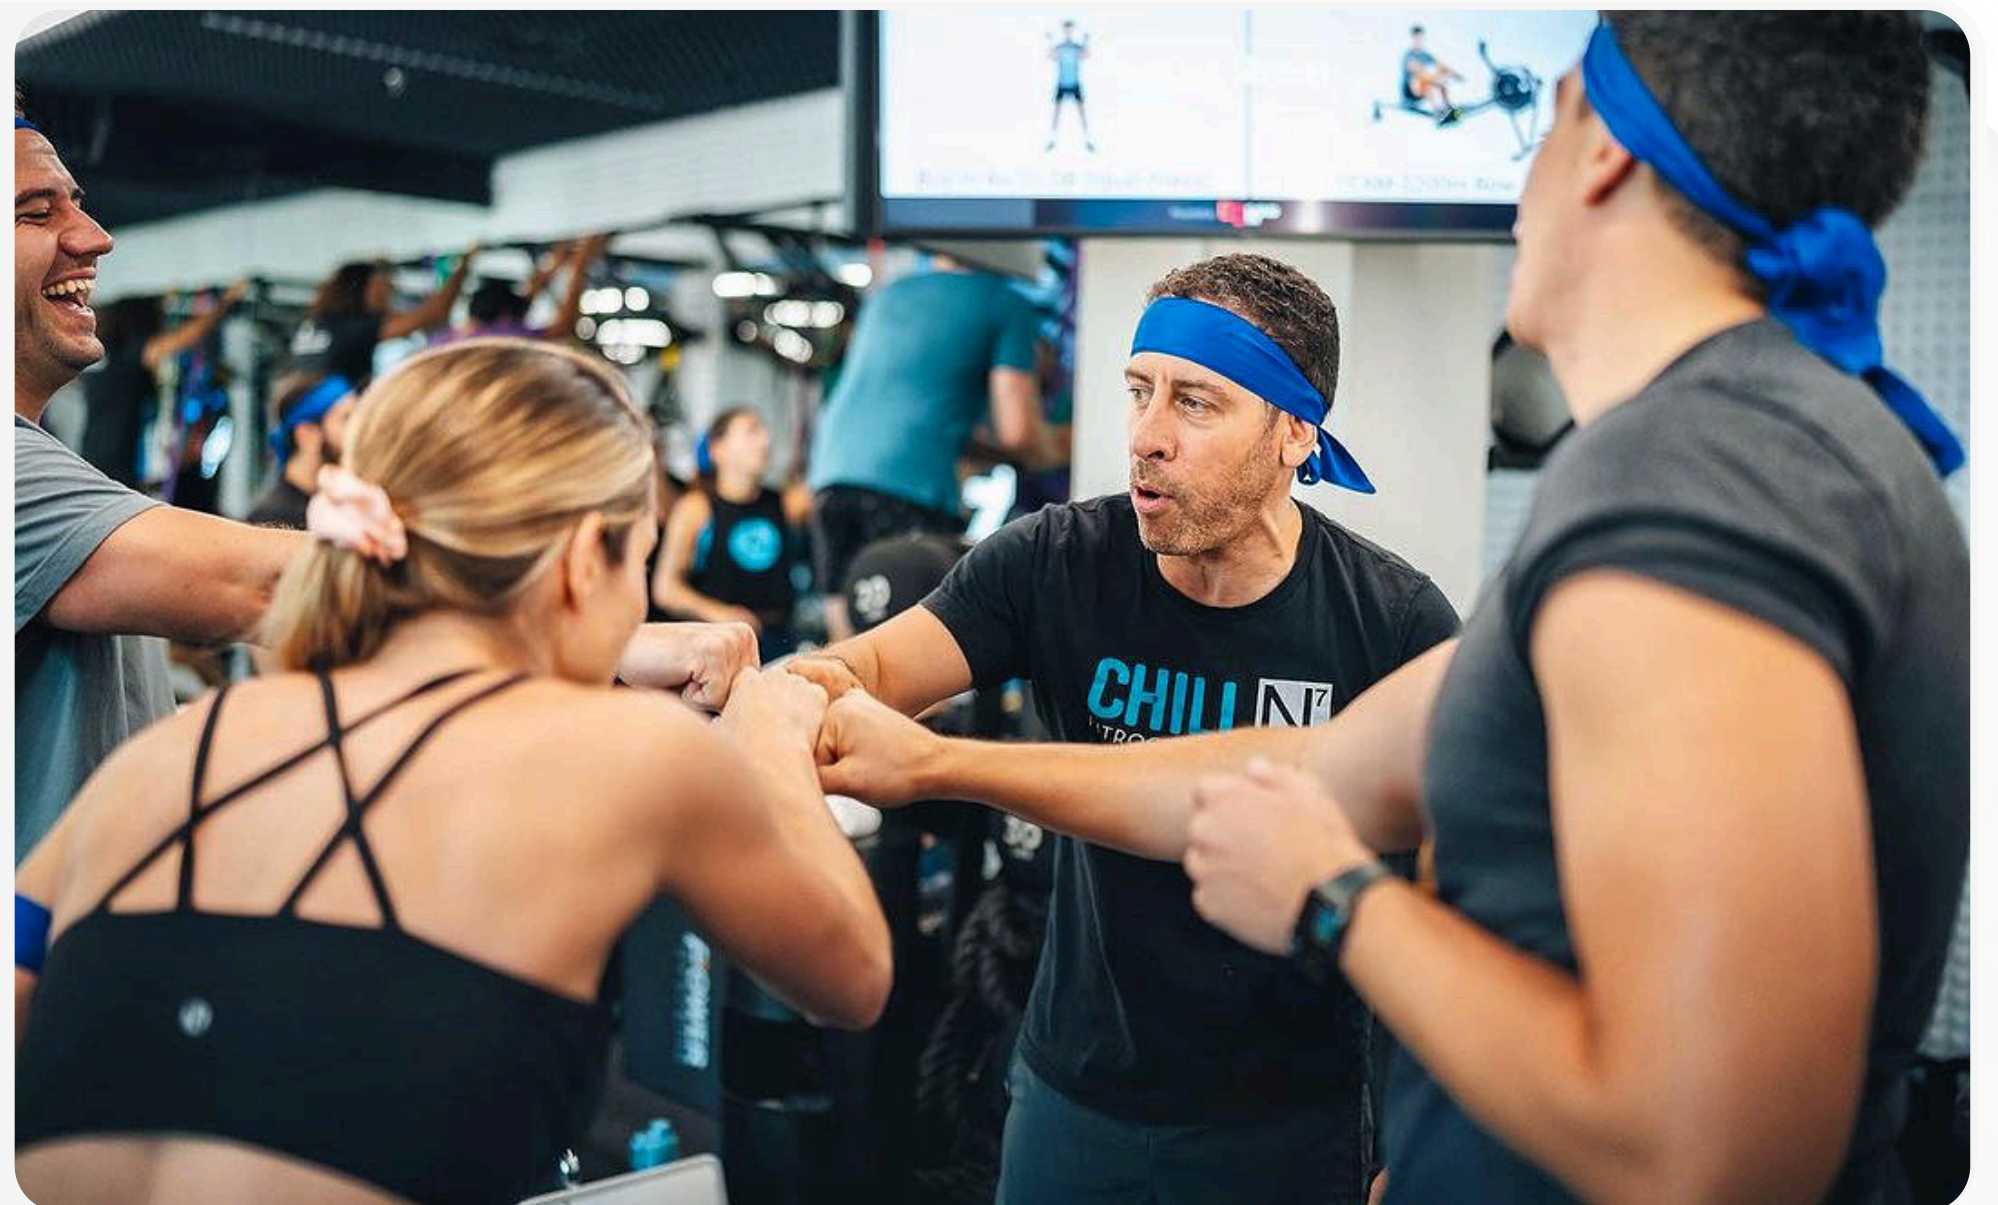

*Delight your members with engaging member experiences.*

*Free up your trainers from  
workout logistics to spend  
more time with your members*

---

*Provide professional and easy-  
to-follow workout guidance on  
screens*

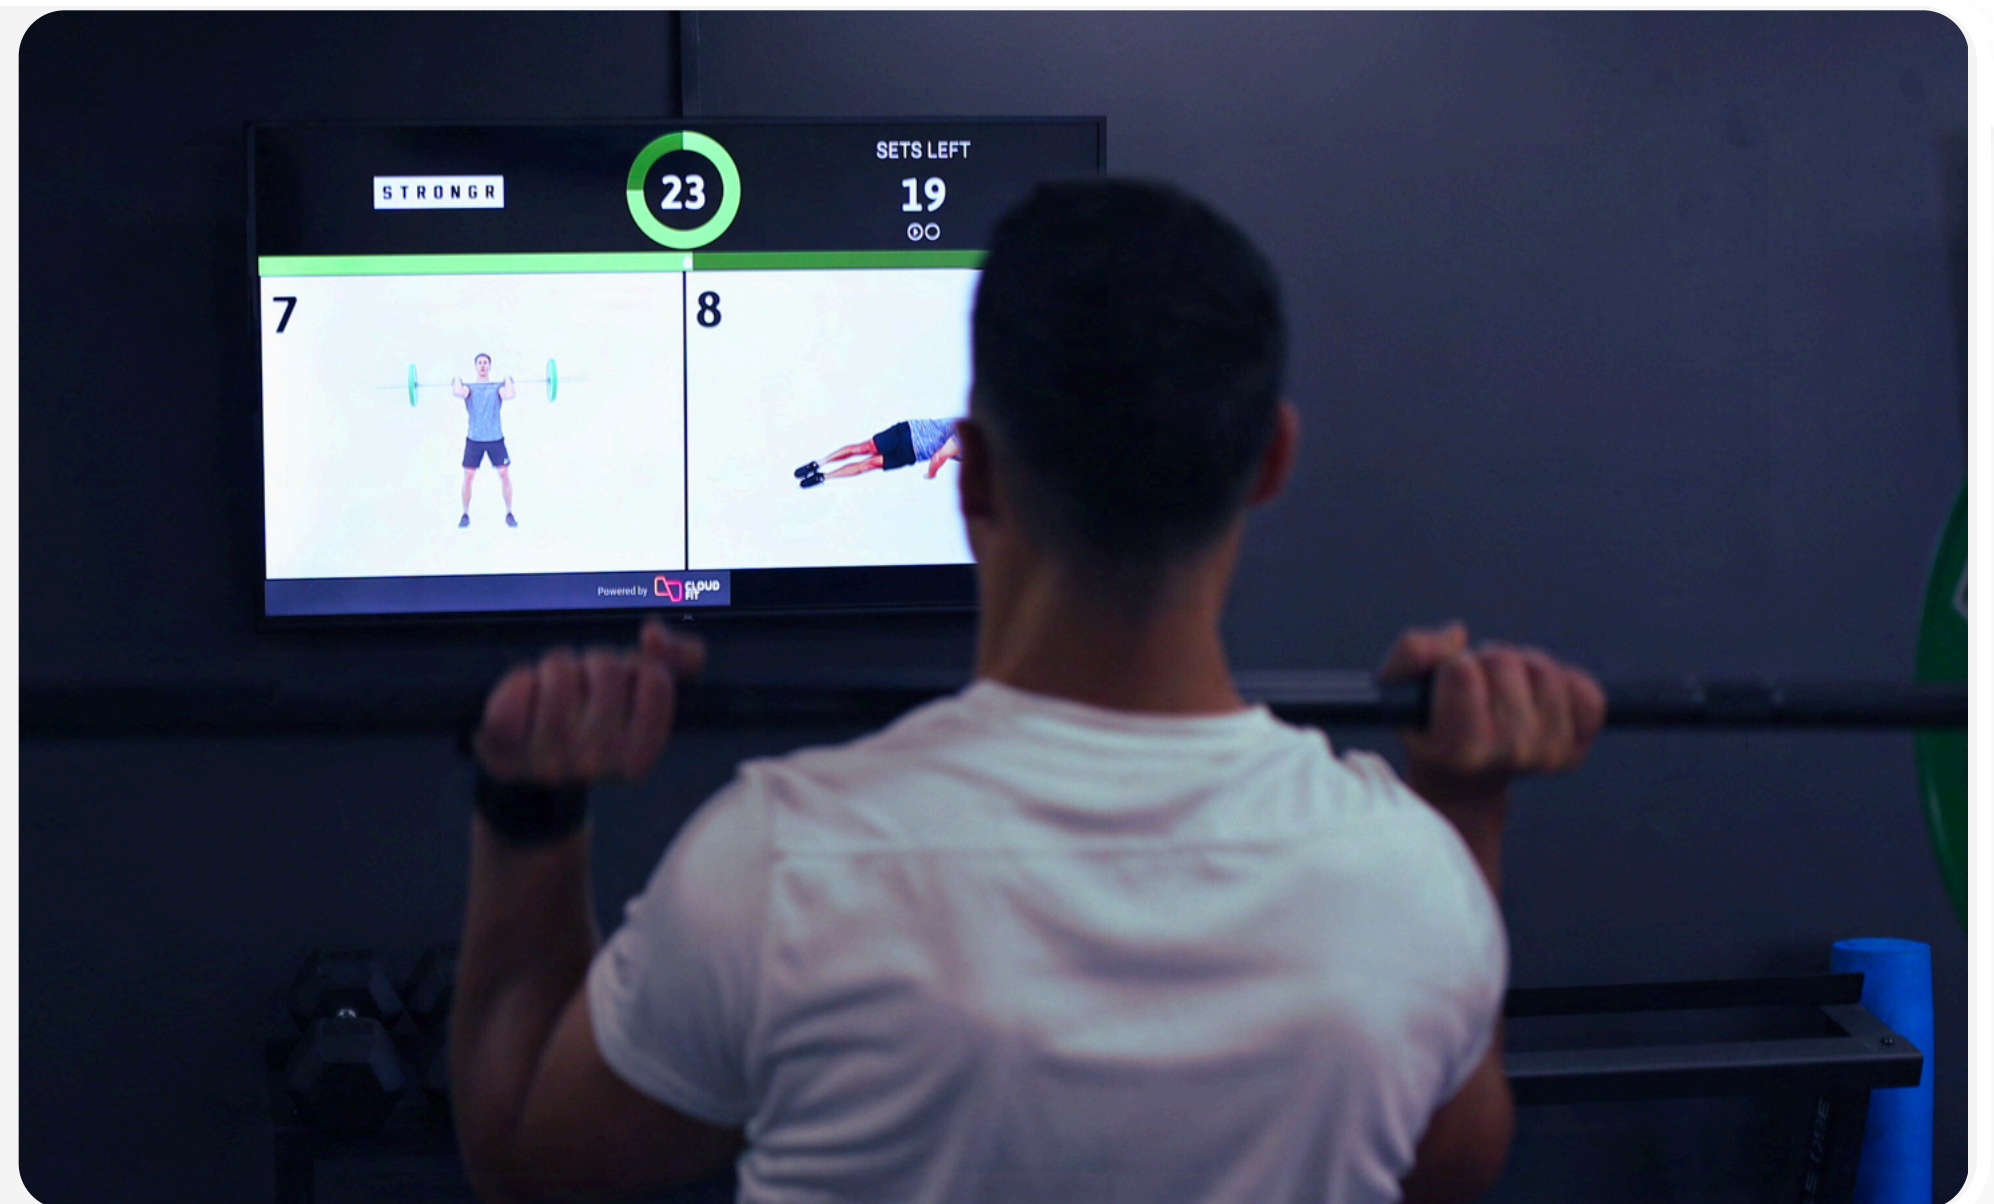

# OPERATIONAL EFFICIENCY

***Save Time. Save Money.***

***Run group classes with fewer staff  
by letting CloudFit be your second  
coach in the room***

***Build workouts, customize timings,  
record your own exercise videos  
with a few taps on your smartphone  
- say goodbye to those old  
whiteboards***

# LOCATION GROWTH

---

*Multiple sites made easy.*

*Deliver a consistent member experience by creating workouts centrally and digitally distributing them across locations*

---

*Showcase your brand on screens across all sites and be top of mind with your members*

# SOFTWARE APPLICATIONS

## CloudFit For Gyms

Smartphone Controller App

+

## CloudFit TV

TV Display App

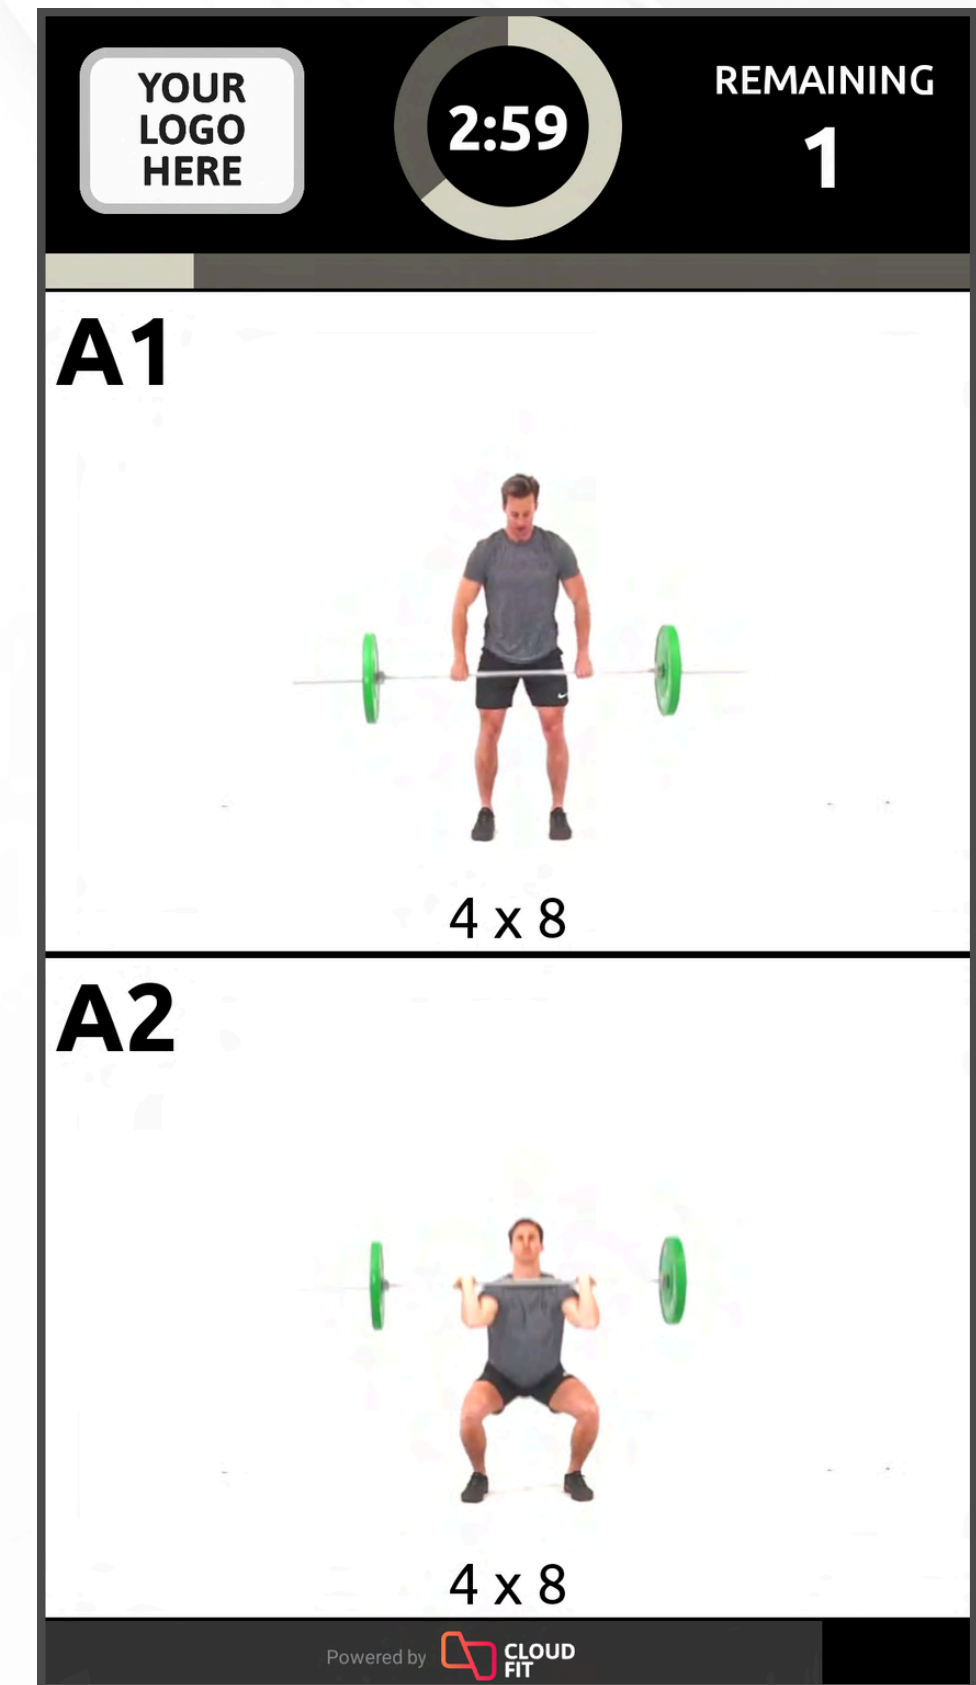

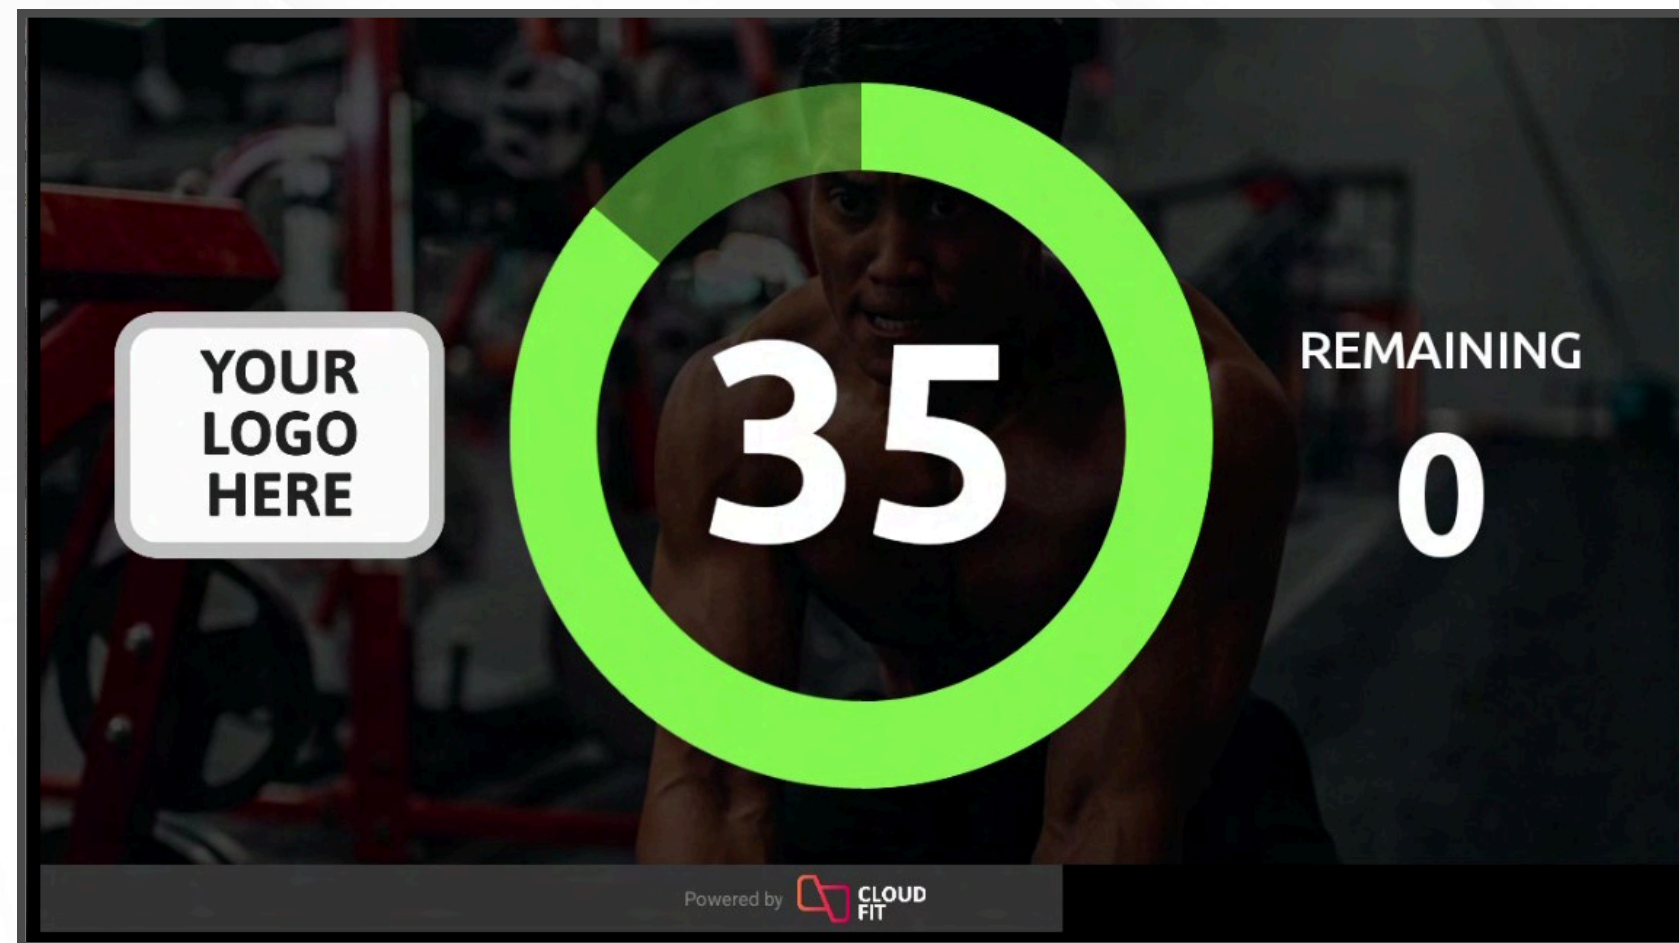

**CloudFit For Gyms** app operates on Apple and Android devices as well as the [WebApp](#)

**CloudFit TV** app operates on [Apple TV](#) [Apple iPad](#) and [Chromecast with Google TV \(4K Only\)](#) or the [Google TV Streamer 4K](#).

# DISPLAY ORIENTATIONS

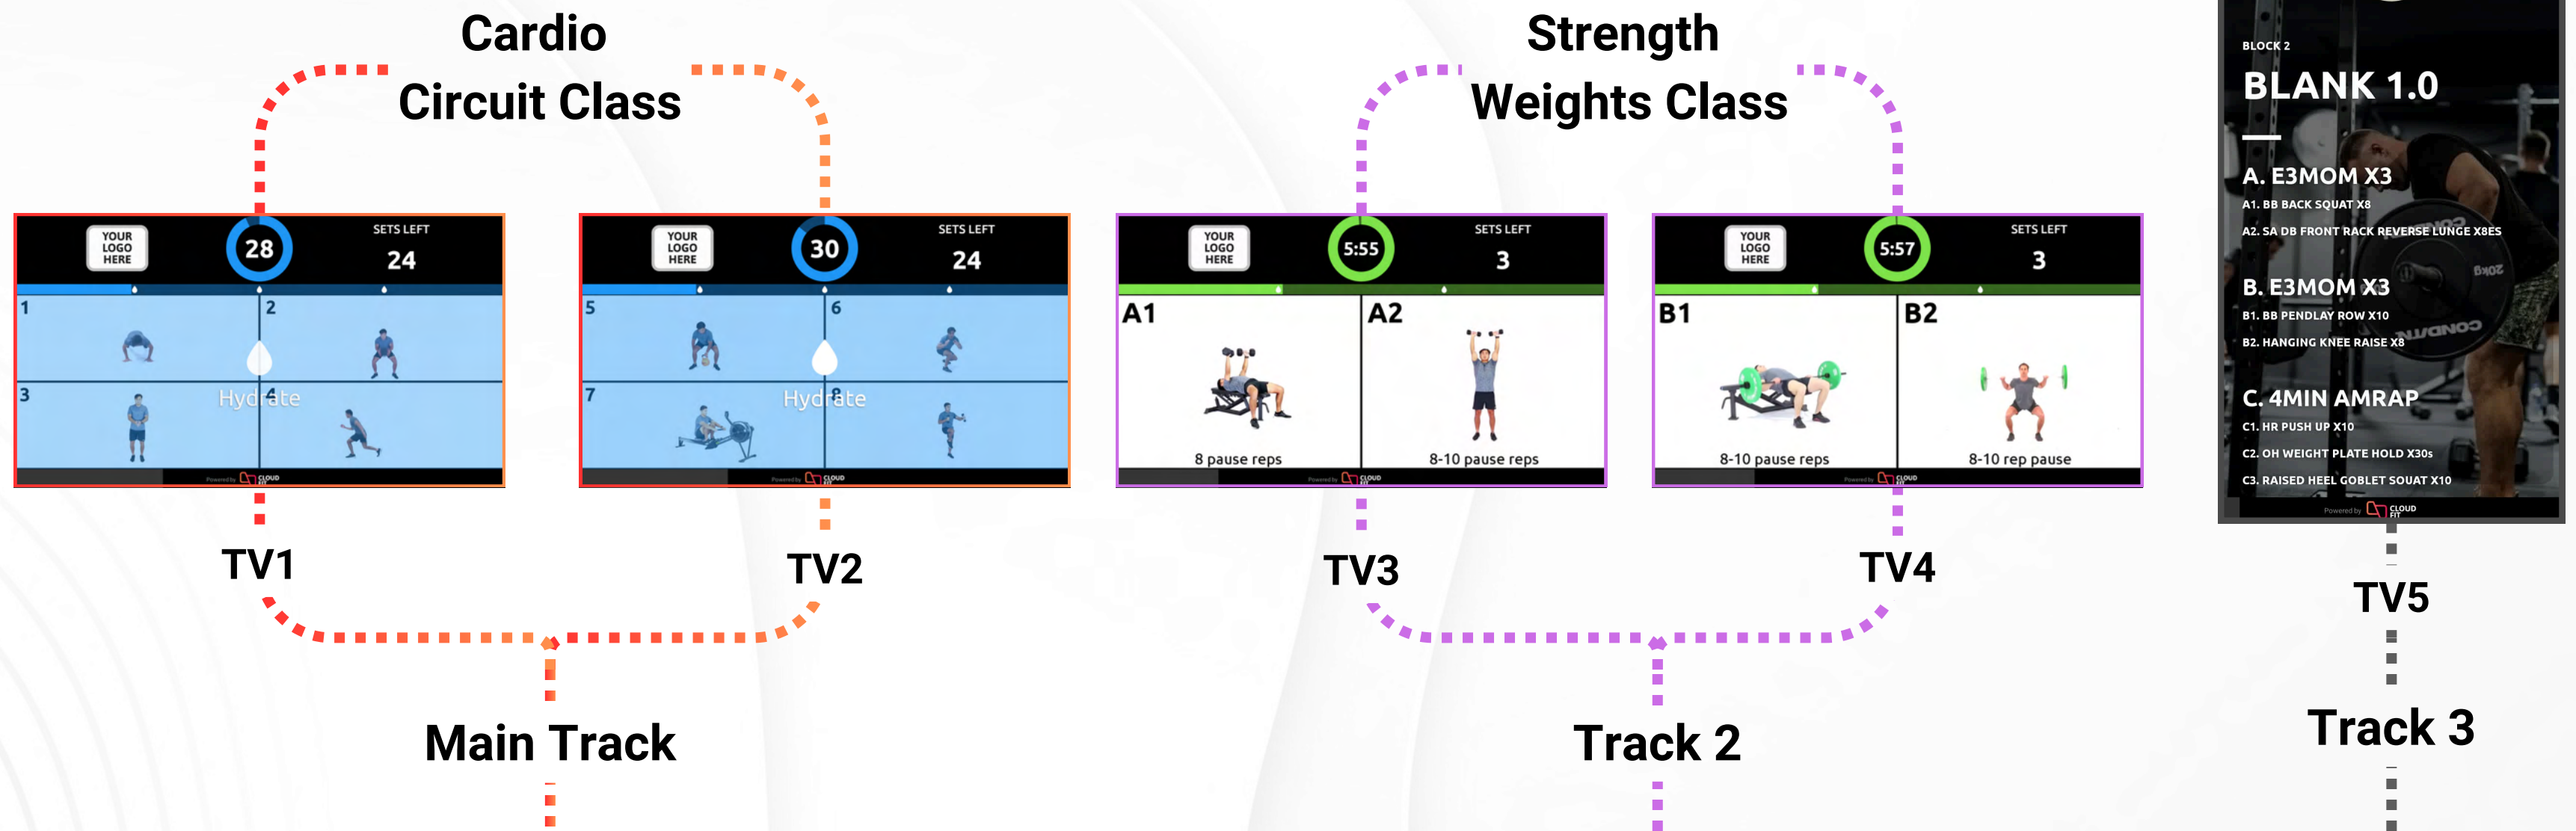

*You can mount both vertical and normal screens.  
Choose between landscape and portrait displays to find the layout that best suits your business needs.*

# MULTI-TRACK FUNCTIONALITY

*Show different CloudFit modules on different screens.*

*There are many possibilities to display your own unique workout offering. For example, you can show a digital whiteboard with an image and text on one TV, while showing a grid of exercise videos with a timer on another TV.*

# BRANDING & CUSTOMIZATION

***Your Business. Your Workouts. Your Way.***

*Really make it your own with brand image, design and feel.*

***Digitize  
your workouts with..***

***Custom Exercise Videos  
Colors + Backgrounds  
Logos + Images  
Workouts + Timings  
More..***

***"The best thing for me is the ability  
to fully customise everything to  
align with our branding.  
I love that we can easily create &  
program all our workouts into the  
app and have our trainers up on the  
screens throughout the workouts."***

***- Mel | Owner Minc Fitness***

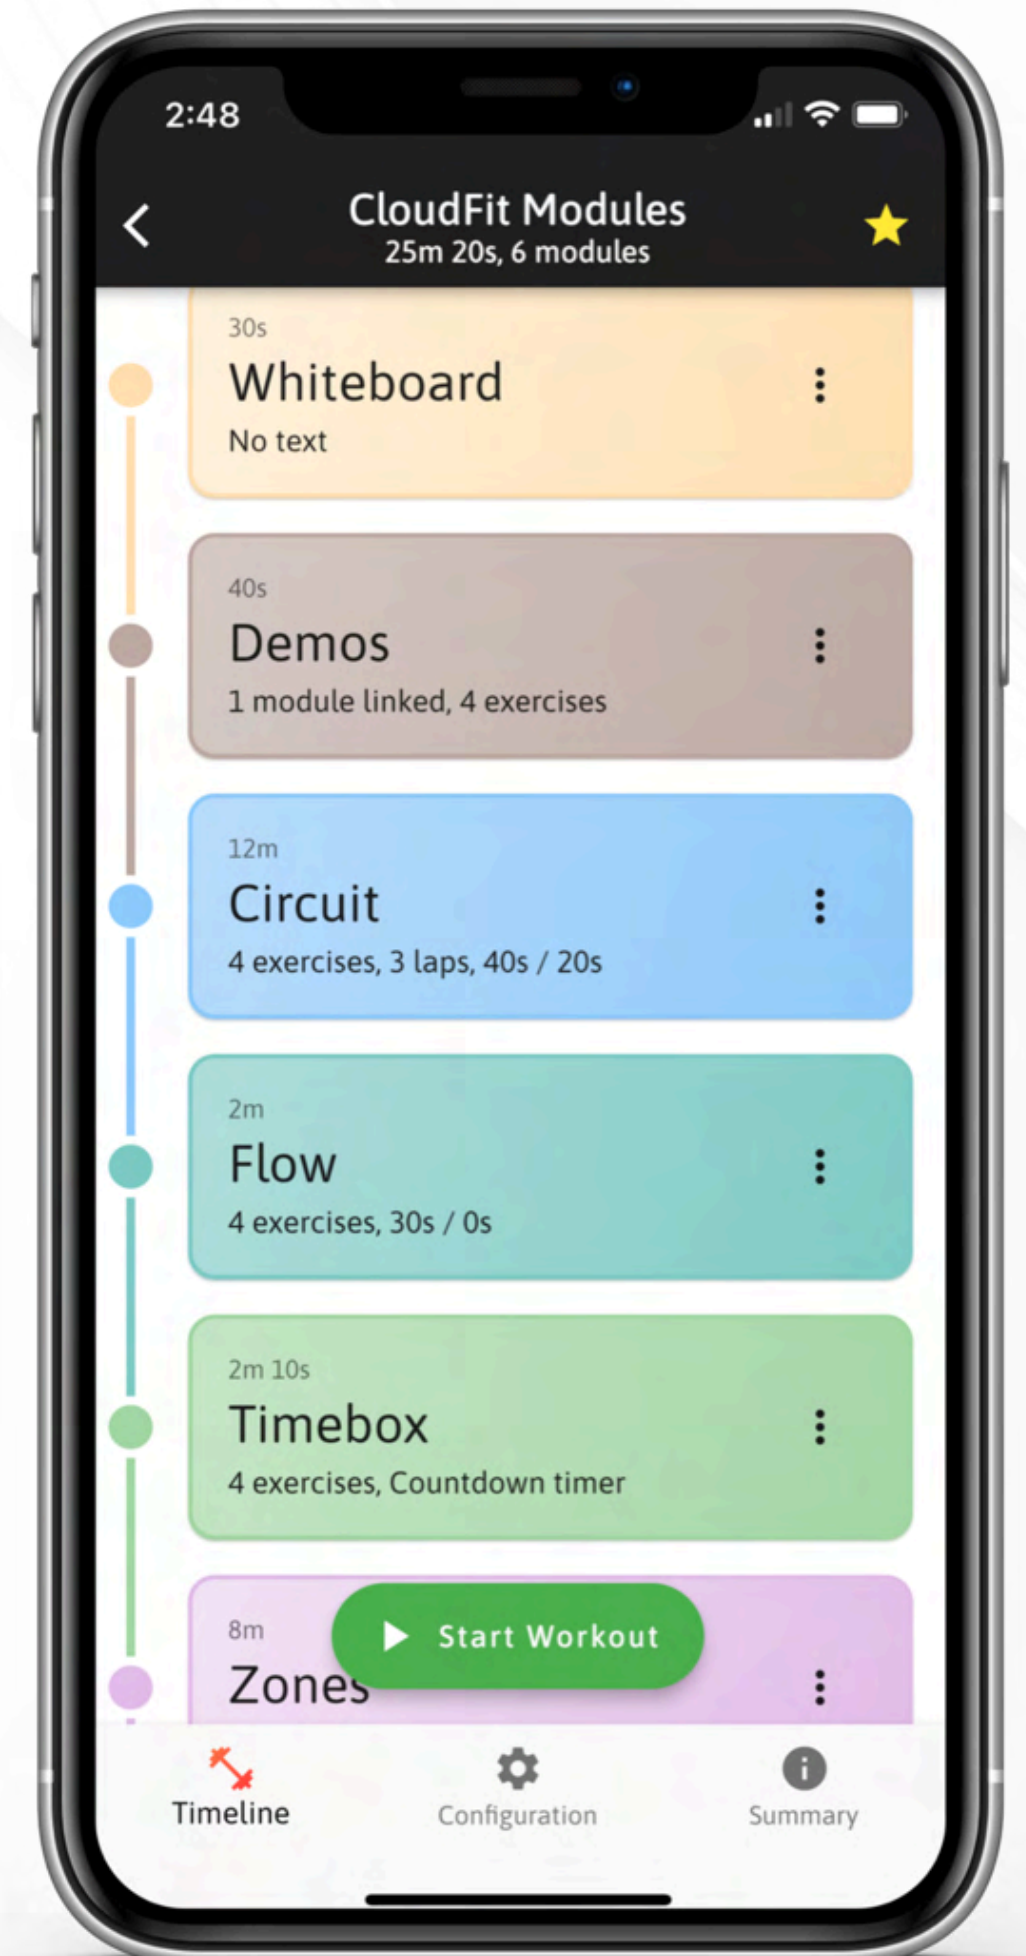

# ULTIMATE FLEXIBILITY

*Our workout builder has multiple modules that provide the ultimate flexibility to suit any business's structure and style.*

*These can be mixed and matched in any way that works for your desired workout.*

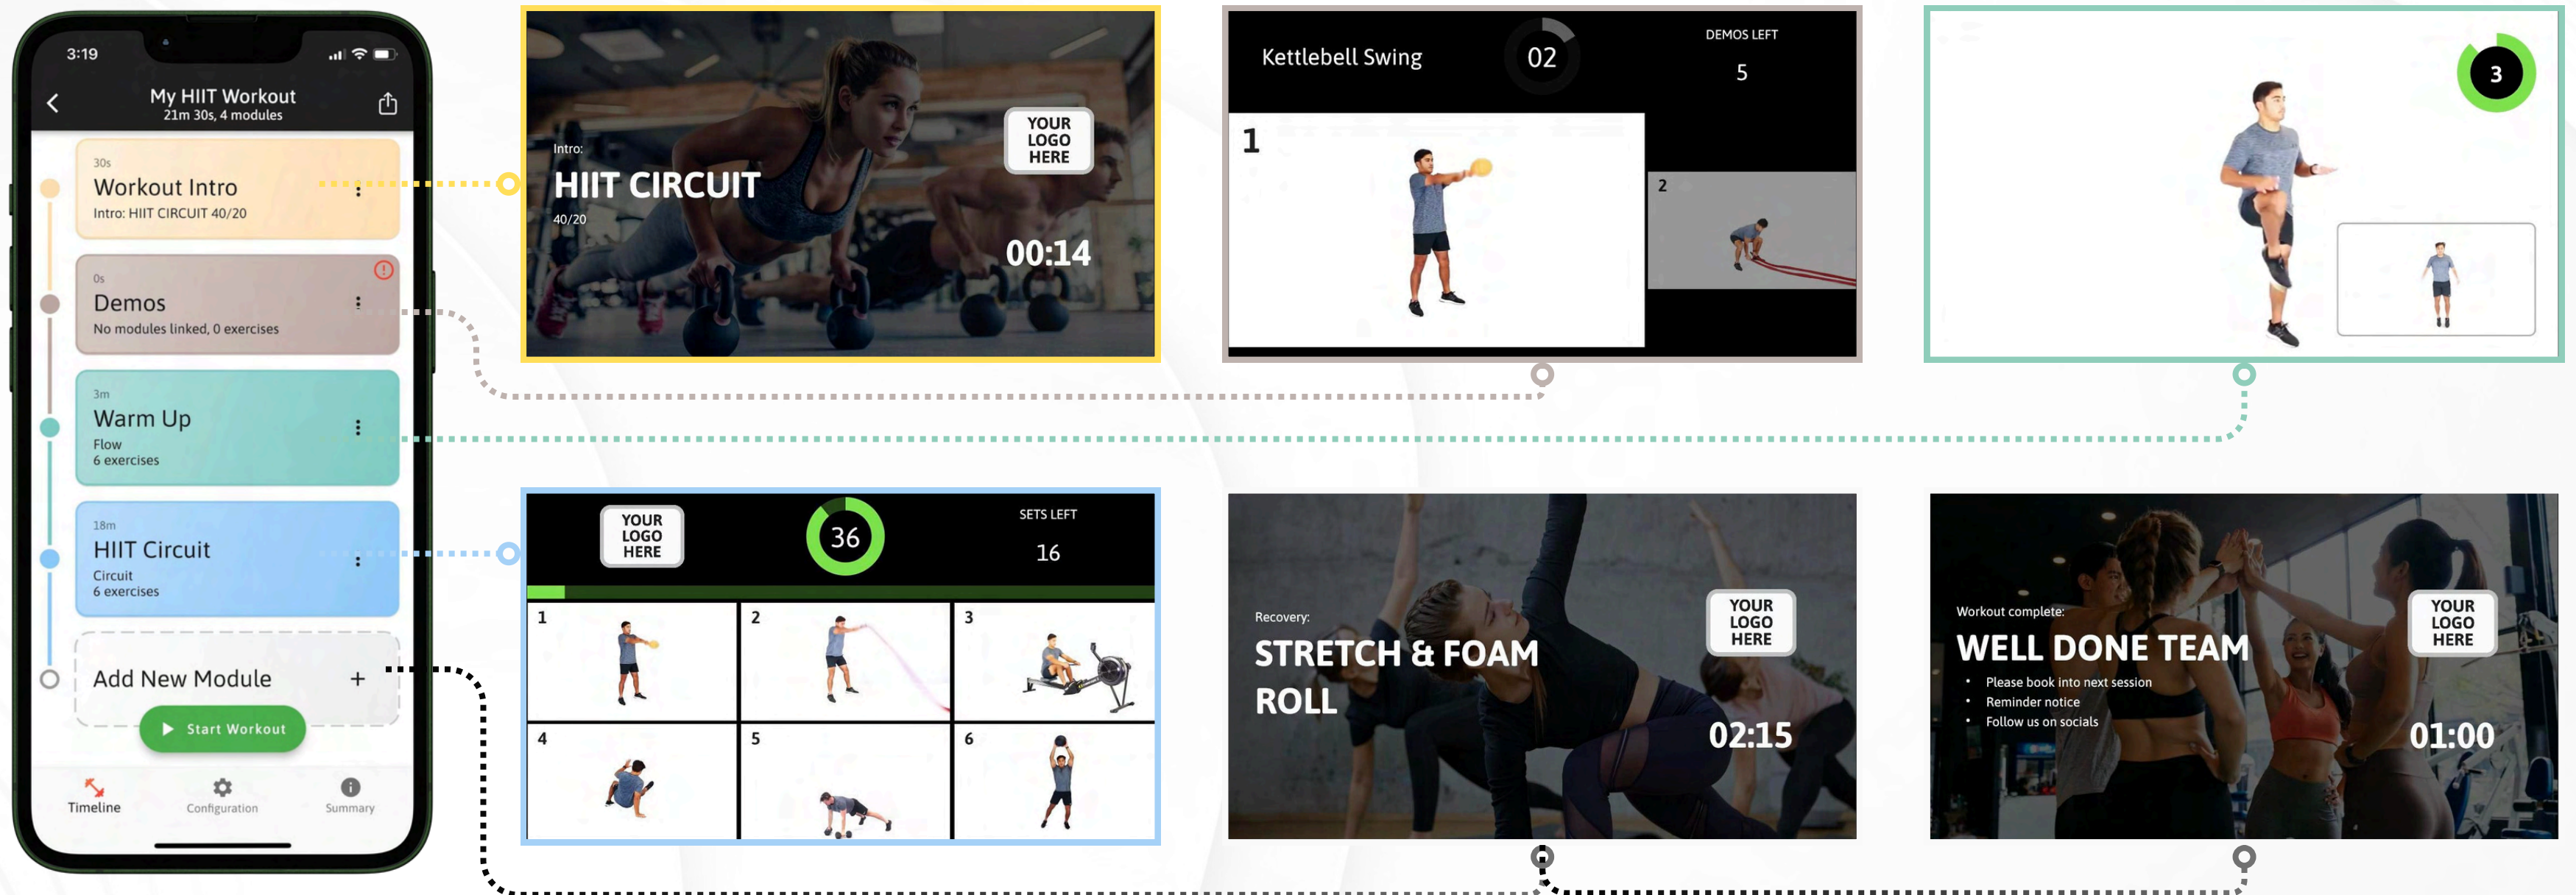

- ***Flexi Whiteboard***
- ***Flexi Exercises***
- ***Digital Whiteboard***
- ***Demonstrations***
- ***Circuit***
- ***Flow***
- ***Timebox***
- ***Zones***

# BUILDING WORKOUTS

*Add, mix and match modules to create any style workout.*

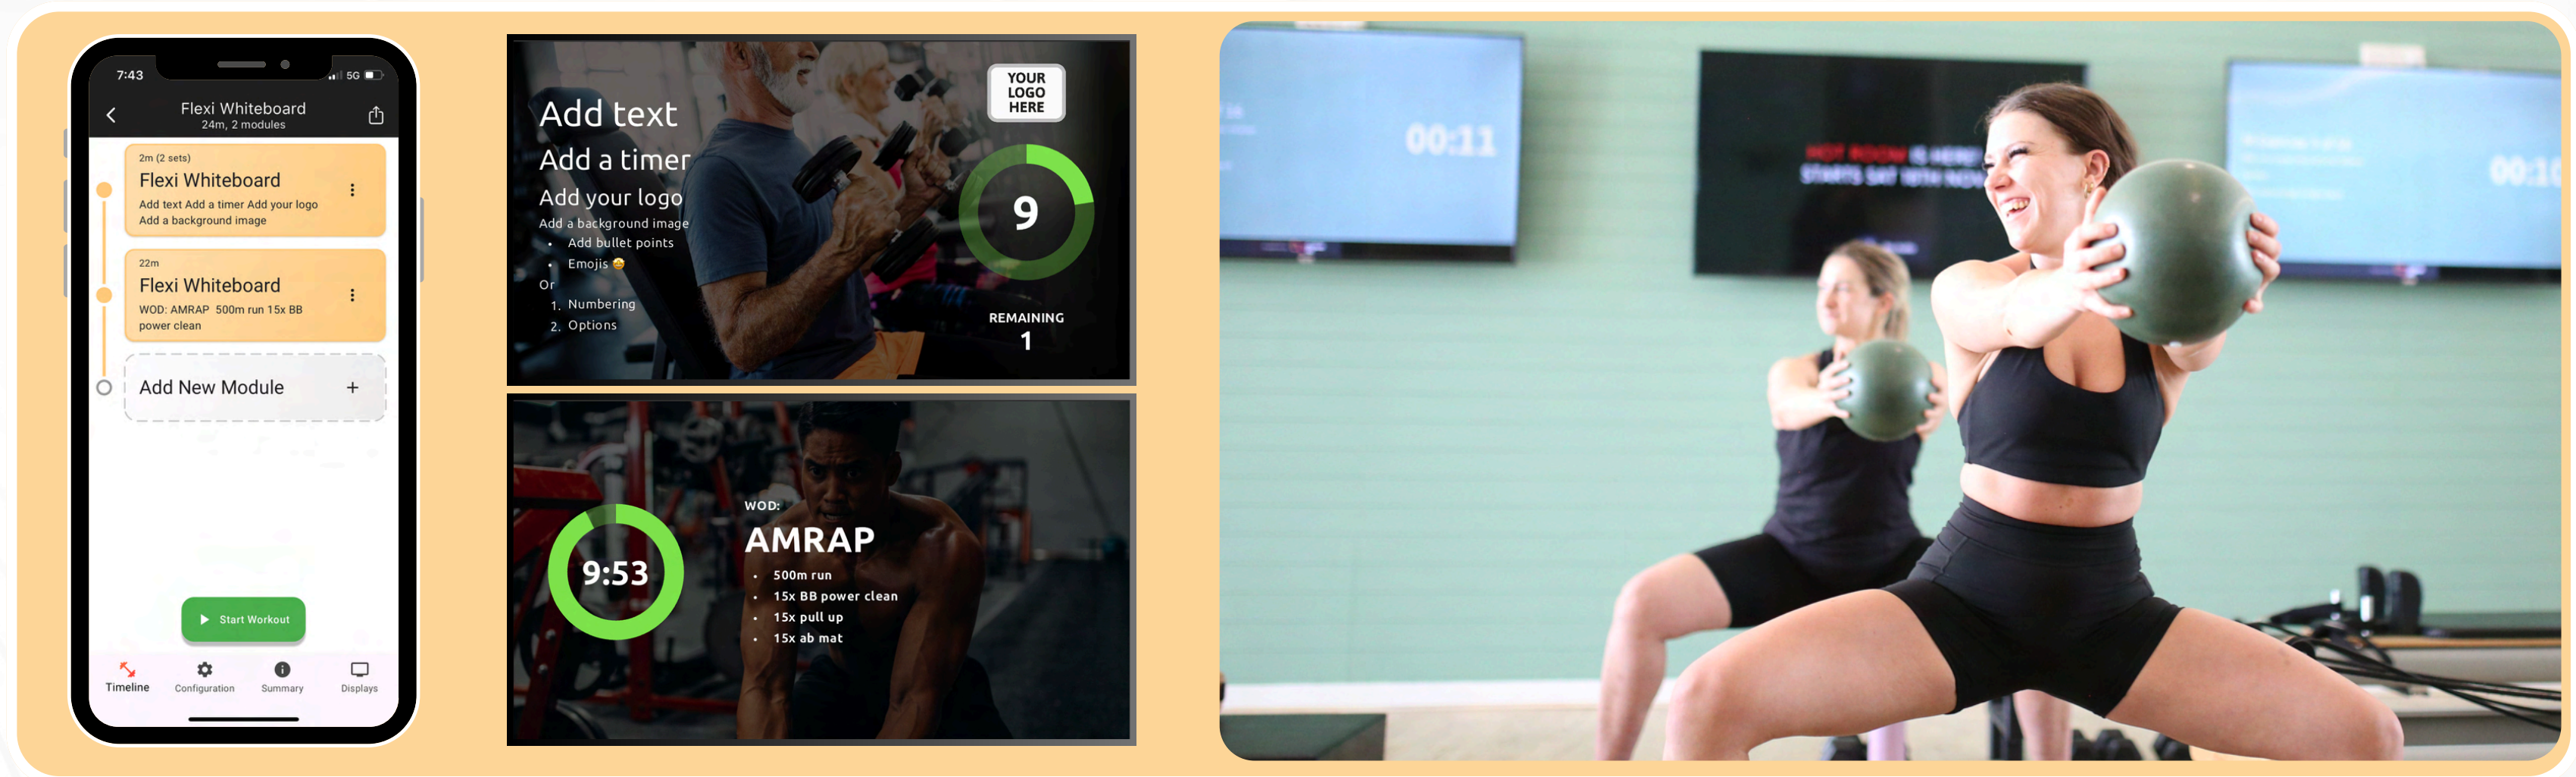

# FLEXI WHITEBOARD MODULE

*Digital whiteboard with flexible timings.*

*Choose custom text, display a timer and set a custom background.*

**Suitable for:** Workouts introductions, overviews, marketing messages, warm ups, cool downs, stretching, rest breaks and so much more..

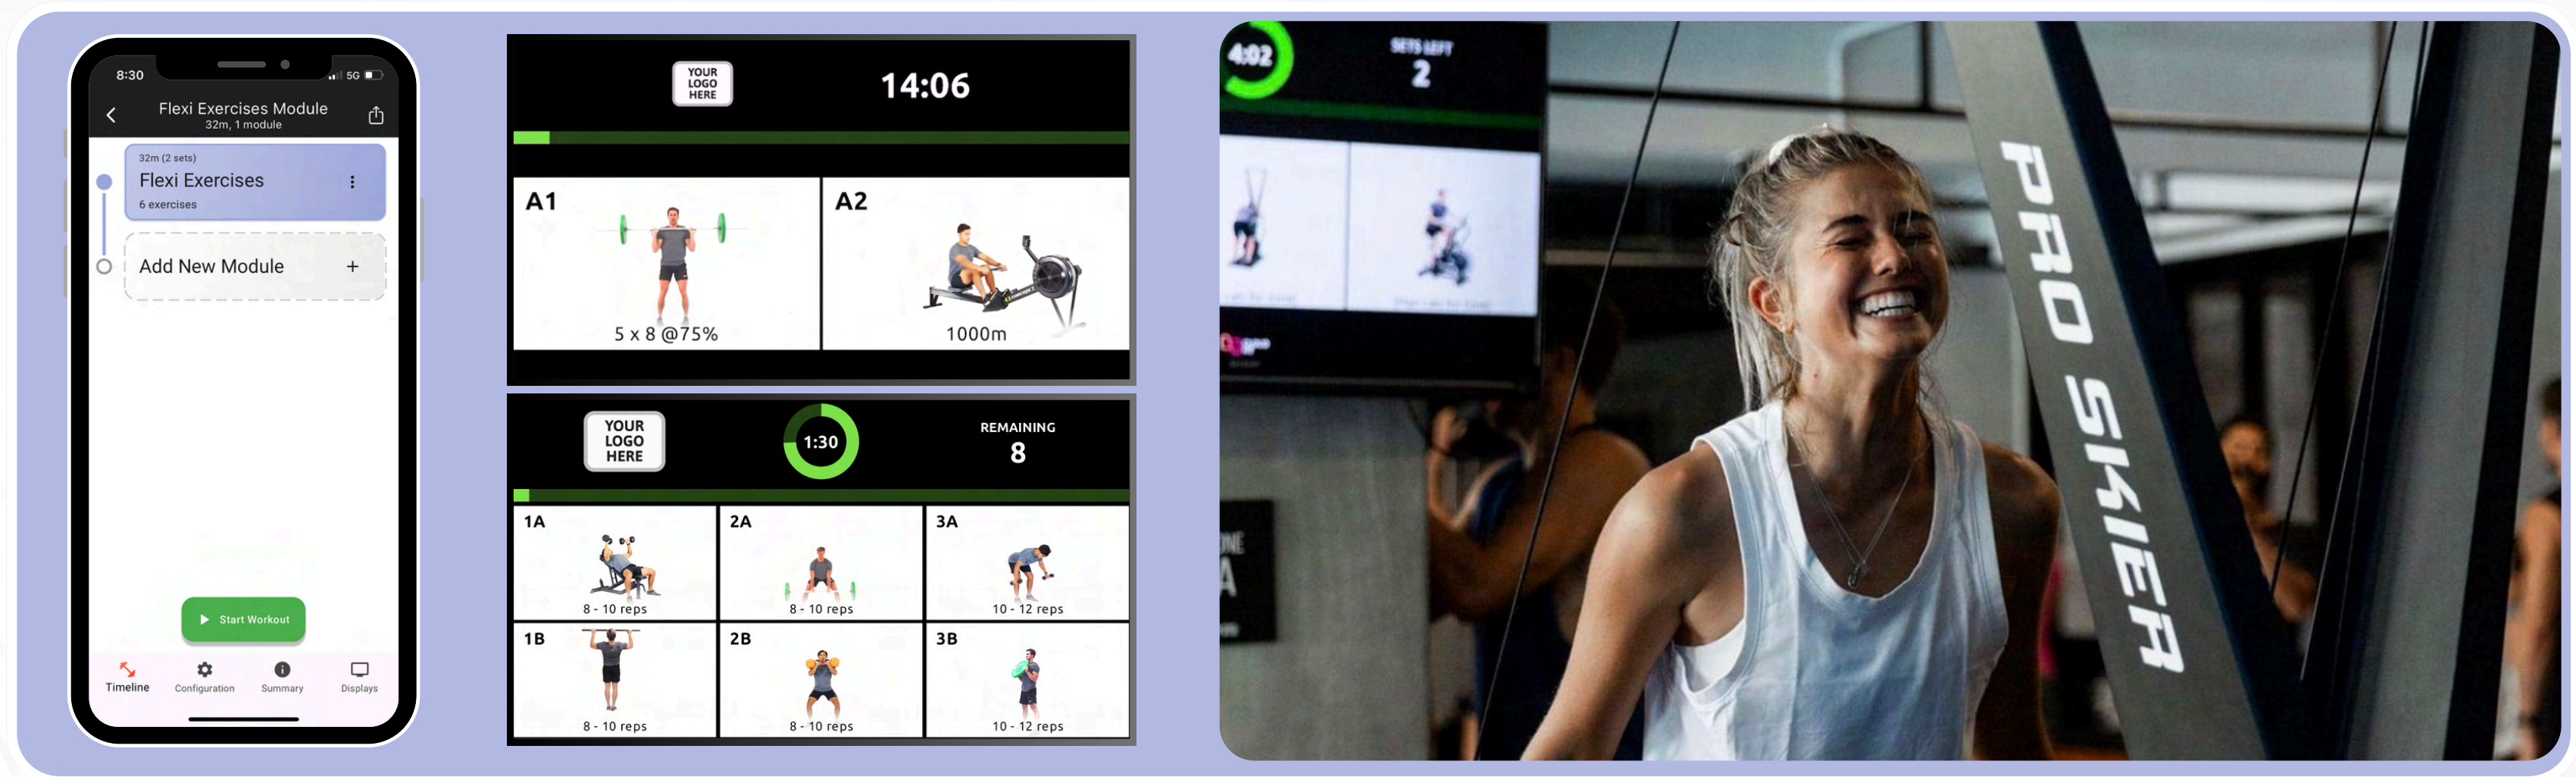

# FLEXI EXERCISES MODULE

*Exercise videos with flexible timings.*

*Select exercises and configure your own number of sets, set timings and transition timings.*

**Suitable for:** Anything you like, seriously it's that flexible but - Circuits, AMRAPs, EMOMs, WOD's, For-time, Supersets, YGIG, 24/7 exercise display and however you choose..

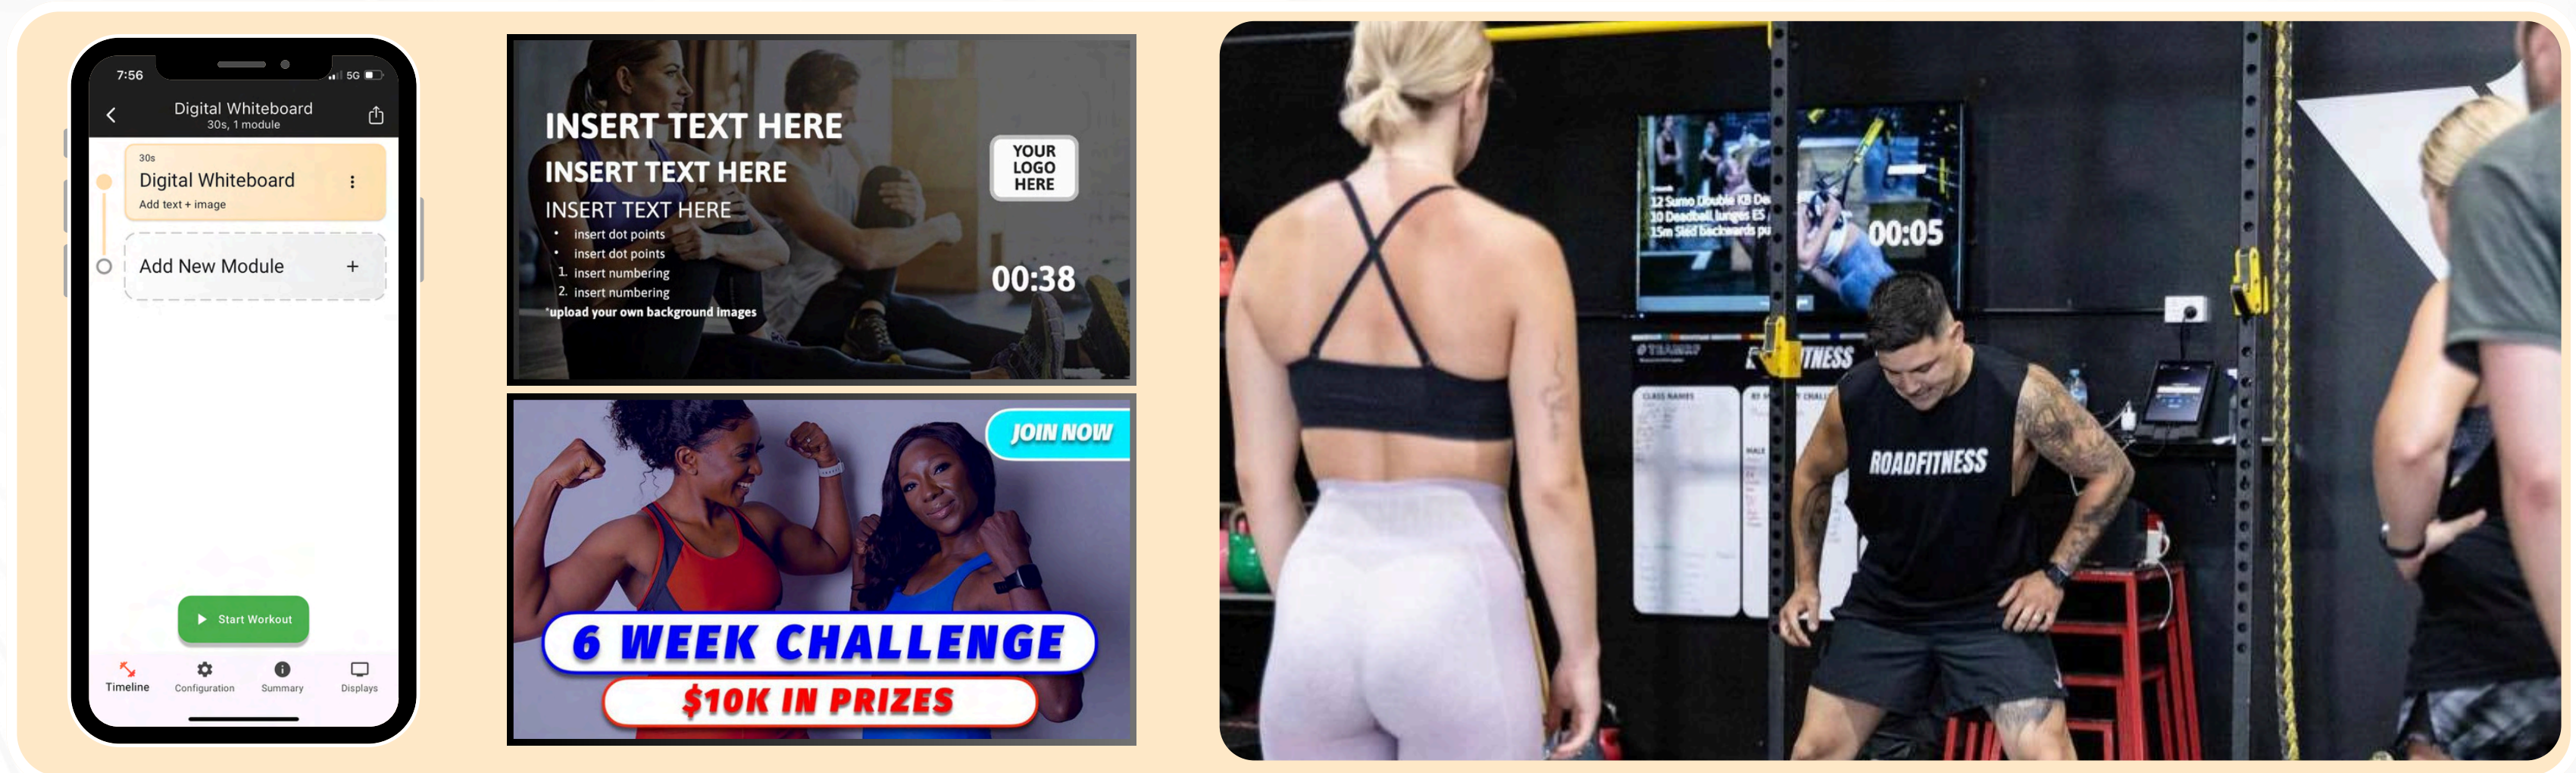

# DIGITAL WHITEBOARD MODULE

*A replacement for the traditional whiteboard.*

*Choose custom text, display a timer and set custom backgrounds.*

**Suitable for:** Workout introductions, overviews, marketing messages, warm ups, cool downs, stretching, rest breaks and so much more..

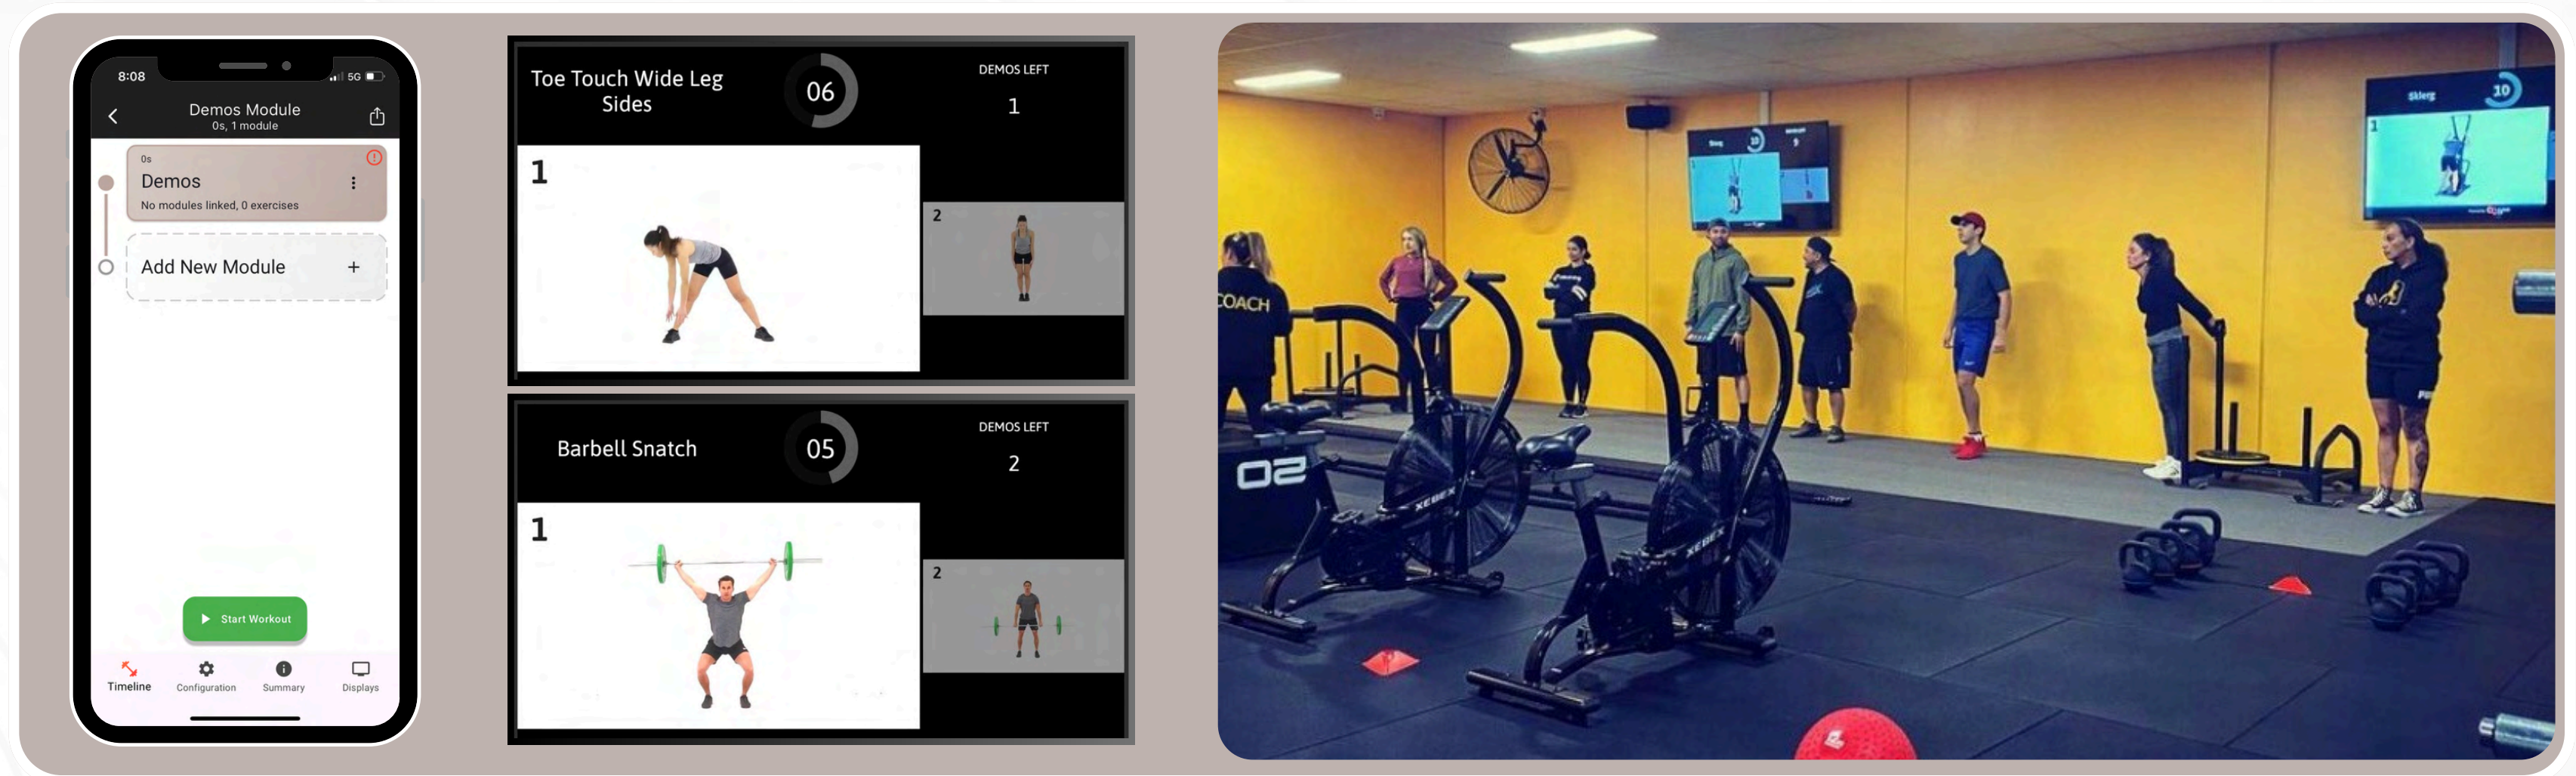

# DEMOS MODULE

*Exercises one by one from other modules for demonstrations.*

*Use this module to demonstrate exercises to your members prior to the workout.*

*Adjust the length you want exercises to show for on your display tvs.*

*Suitable for: Most group workout styles*

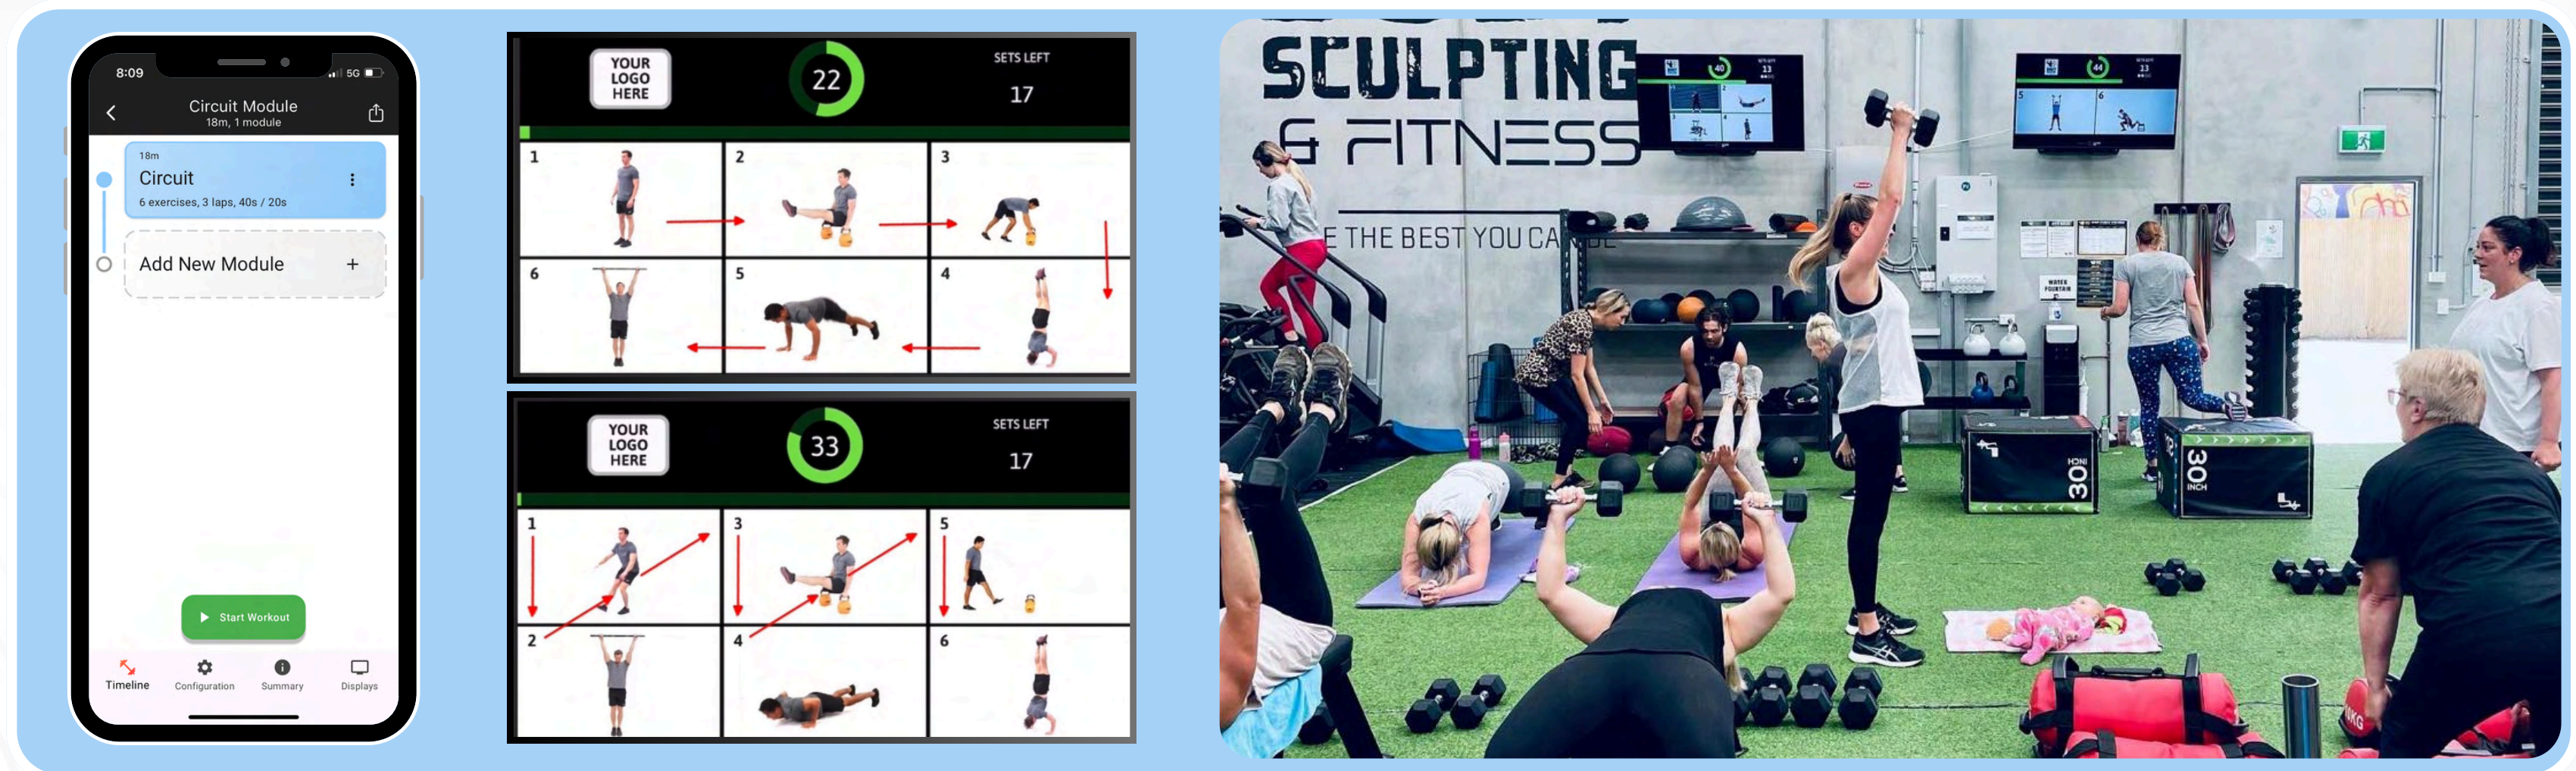

# CIRCUIT MODULE

*Easy to configure circuit style workout.*

*Select exercises and configure exercise station intervals based on work / rest ratio.*

**Suitable for:** *Interval training, high intensity interval training or HIIT, low intensity interval training or LIIT, high intensity resistance training or HIRT, variable timing circuits and much more ..*

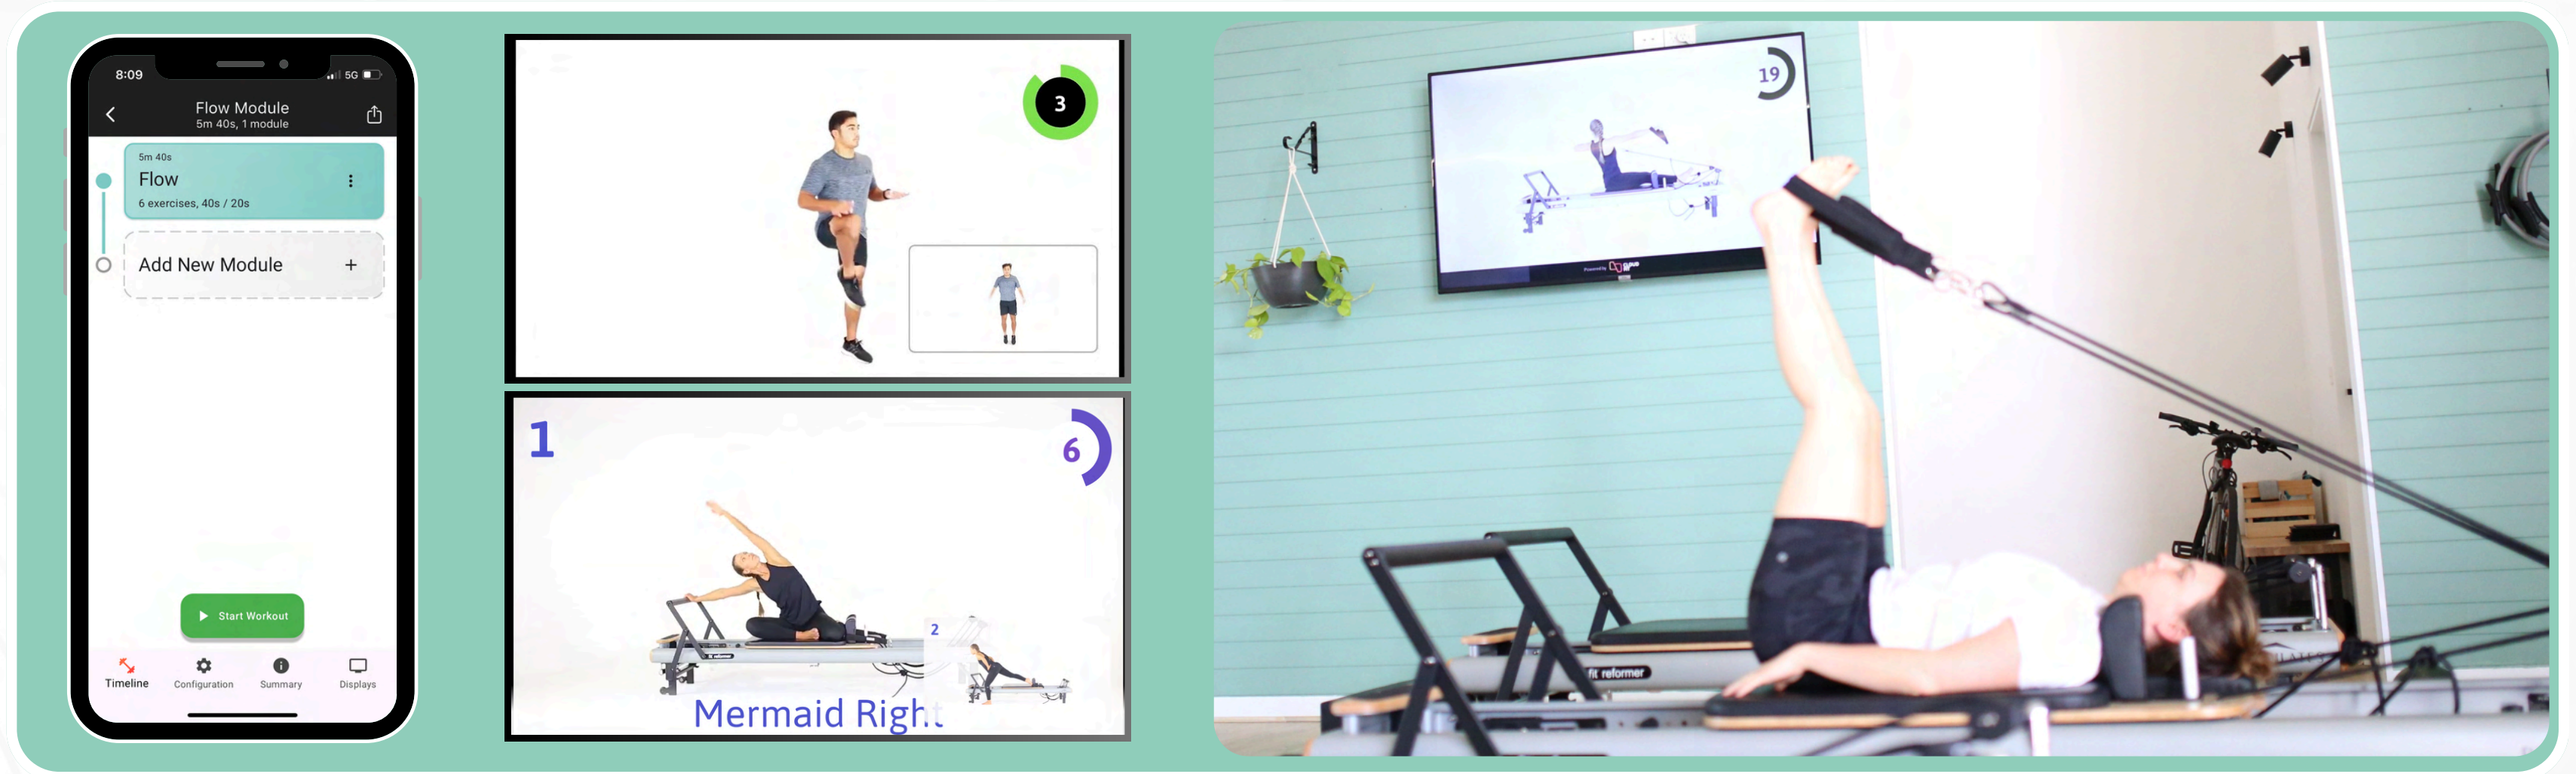

# FLOW MODULE

*Exercise videos one by one.*

*Use this module to display a selection of exercises, one exercise at a time.*

**Suitable for:** Warm ups, cool downs, stretching, pilates, yoga, boxing, workout finishers, interruptors and more..

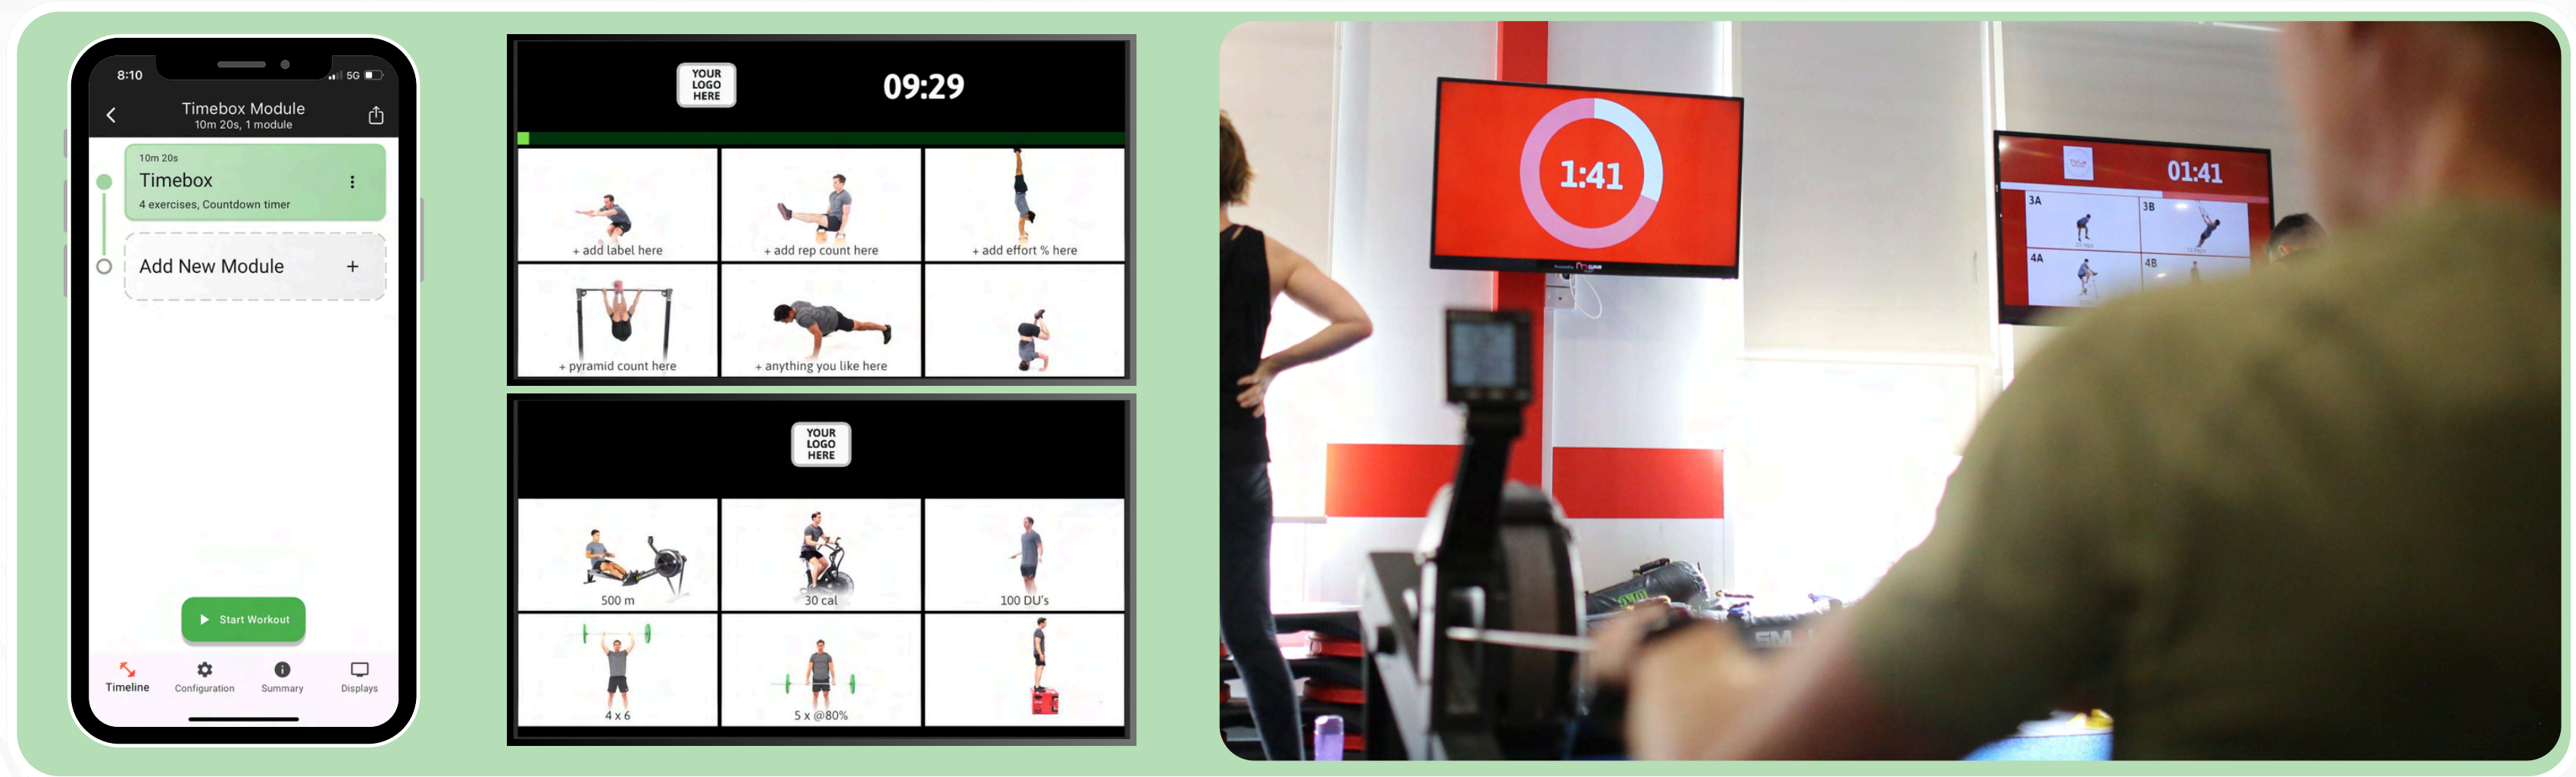

# EXERCISES MODULE

**Select exercises videos with simple timings.**

*Ideal for effort based workouts by selecting a number of exercises set for a total amount of time.  
Or, simply display exercises only and add instructions as a label for each exercise video.*

**Suitable for:** AMRAPs, EMOMs, WOD's, For-time, Supersets, YGIG, 24/7 exercise display and more..

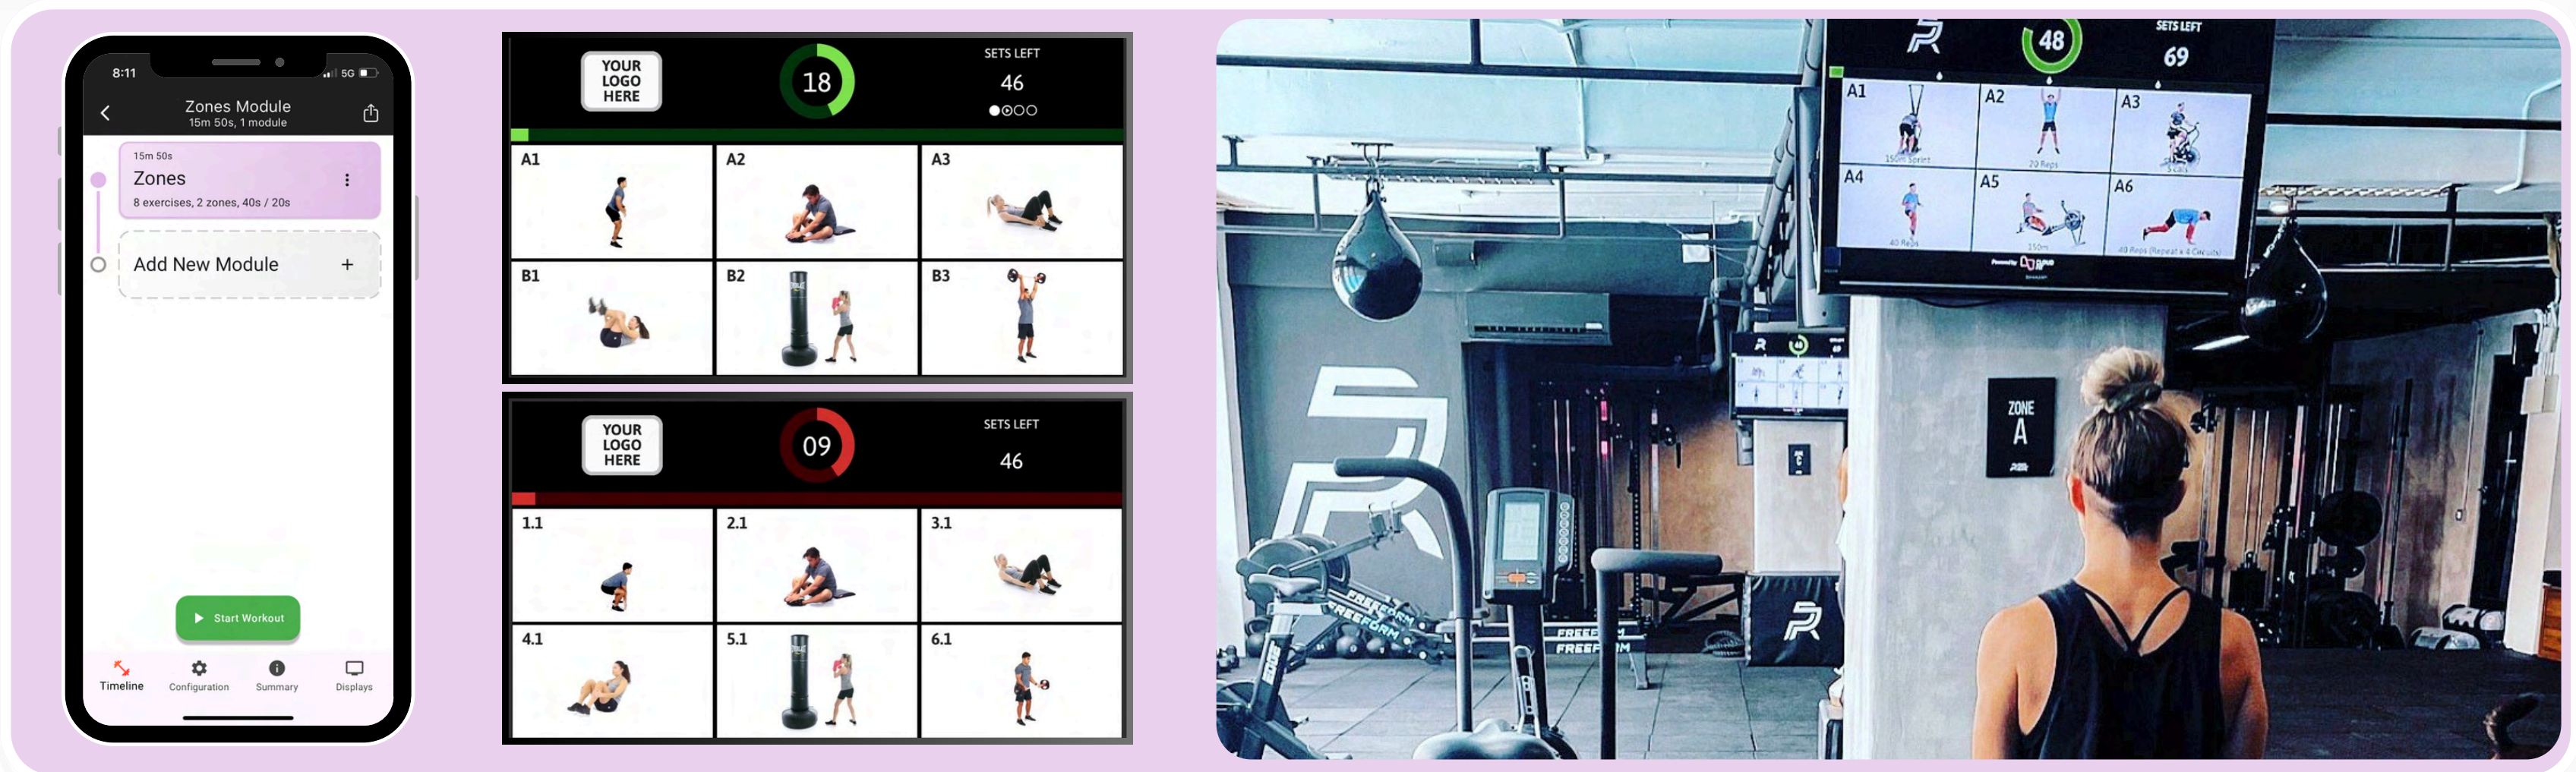

# ZONES MODULE

*Easy to configure zone-based workouts.*

*Create 'mini circuits' inside a workout. Select exercises and separate into zones.*

*Set intervals for the zones based on work/rest ratio, with numbering options available.*

***Suitable for:** Advanced interval training, HIIT, LIIT, HIRT, variable timing circuits and more..*

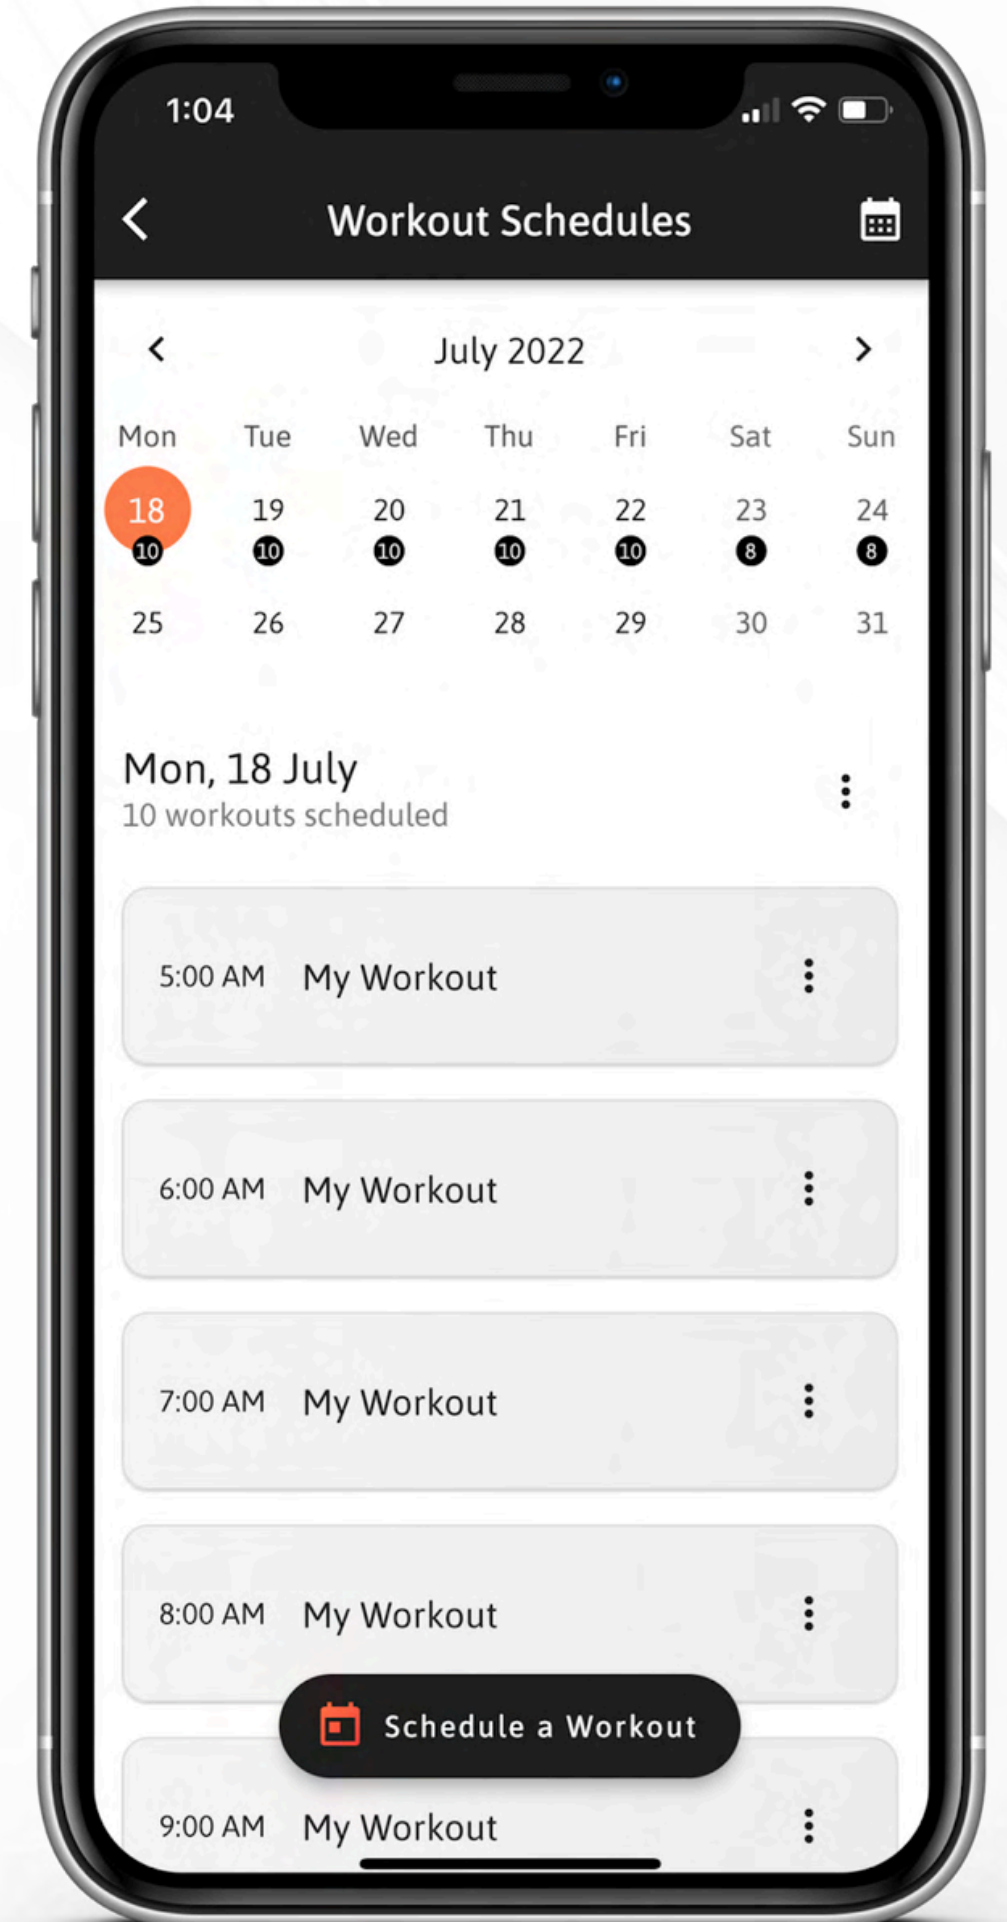

# SCHEDULE WORKOUTS

*Set and forget to focus on higher value business outcomes*

*Automate the delivery of workouts and schedule up to a year in advance*

*Reduce staff dependency by delivering workouts with or without staff*

*Offer self-guided or off-peak workout options*

# SCHEDULE WORKOUTS

*Evolution Wellness' FireFit franchise model - designs, creates and tests their workouts at the HQ level before distributing to franchisees across the globe.*

CloudFit is literally like having a second coach in the room. It's a great way to eliminate confusion in circuit rotations & also allows the coach to build rapport with new members, especially first time gym goers as it's inviting & creates a non-intimidating atmosphere.

- George | Coach FireFit Alexandria NSW

# REVIEWS

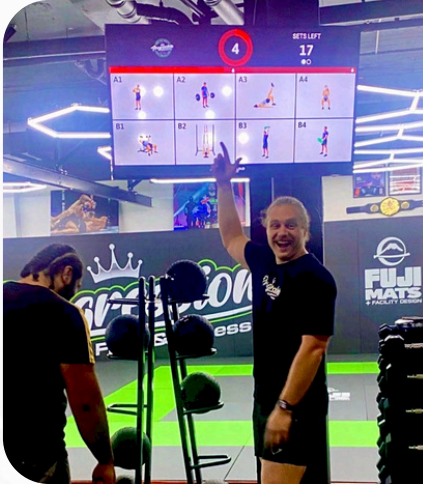

"The best thing for me is the ability to fully customise everything to align with our branding. I love that we can easily create & program all our workouts into the app and have our trainers up on the screens throughout the workouts."

- Mel | Owner Minc Fitness

"We are absolutely loving CloudFit. It's amazing!"

- Callum | Progression MMA

"CloudFit has just revolutionised our training system and client services. It's the best investment club owners could have for their business. We absolutely love it!"

- Abnar | Director Brooklyn Boxing

"For me, it's a few things:  
1) Organisation and professionalism brought by displaying exercises, reps, sets, objectives and timers.  
2) Ability to hold open gym sessions with an objective for people to train on their own time with structure."

- Nick | Owner Power + Revive Bali

"Absolutely love it! Whiteboards are gone. This is the future, every gym will have this!"

- Alex | Owner PHIT House Studio

The flexibility workouts to cater whether it's a The Cloud super easy

- Coach

"Easily, one of the best investments we've ever made for the gym AND our members!"

- Olsen | Owner Body Sculpting & Fitness

"It's unreal! Makes running my business 100X easier and looks super professional!"

- Taite | Owner SweatyAF

Absolutely smashing it! So easy to use and really fun! Love using CloudFit and personalising it to my own favourite workouts

- Anna | Anytime Fitness Para Hills West, SA

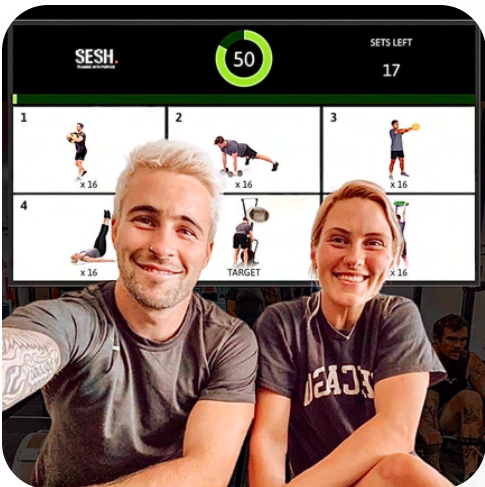

"With all the challenges facing the gym industry right now CloudFit was literally a life saver! We used to be part of a dying franchise and had to watch so many other franchisees around us close down. Partnering with CloudFit was super easy and very affordable. We rebranded and now deliver a better suited product to our local area and our clients love it just as much as we do"

- Nick | Strongr Brunswick East

"CloudFit gives our members an easy to follow guide through every session, allowing us to give even more support to everyone in our classes. This provides a much more personalised experience for everyone while enjoying the unmatched vibes of group training."

- Matt & Hannah | Owners Sesh. Training

Absolutely loving it! CloudFit streamlines everything. Allows members more understanding of exercises & makes me super confident for the next locations. I'll be able to have everything run the same!

- Chad | Owner 2x Lifestyle Performance NSW

It's an awesome vibe! Our clients are in love with the displays!

- Jeff (Co-Owner) | Mission Fit NC, US
